Good afternoon sir,

Our office did not receive any information from congressional staff indicating the presence of media. Generally, members do like to highlight the fact that they are on the border and will coordinate with media, sometimes doing interviews just outside of stations (in a public place, not coordinated or participated in by us). This is why we added this blurb to the itineraries we provide to congressional staff:

Hatch Act: U.S. Customs and Border Protection (CBP) and U.S. Immigration and Customs Enforcement (ICE) buildings and property may not be authorized for campaign activities such as town hall meetings, rallies, speeches, fundraisers, press conferences, photo opportunities, or other similar events. This is true even if a facility has a policy to permit use of some portion of the facilities by the public. No media, photographers, campaign pins, distribution of literature, campaign consultants or volunteers will be permitted with a CODEL tour. To help us ensure that all CBP and ICE employees are abiding by the Hatch Act rules, we appreciate your commitment to not have any photos, media, or social media that would place CBP and ICE facilities, assets, personnel or meeting discussions in the media or campaign statements, as that could cause liability to our agents.

(b) (7)(E)

we also added this blurb:

Identification: All visitors IDs will be checked prior to entering CBP and ICE facilities. Please have your congressional identification ready to show for access to all CBP and ICE facilities. If you are not in possession of congressional identification you may not be allowed to enter CBP/ICE facilities.

Hope this information helps, if any further action is required on my end, could you please let me know and I will do my best to help.

Respectfully,

Hello-

I'm an anchor and reporter with Fox News in Phoenix. I am visiting the Yuma sector tomorrow with a group of congressmen, including Arizona representative Andy Biggs, for a tour of the border. The congressmen aren't planning on arriving until about 3:30pm. I am hoping to meet with someone from your office there at 1pm for a quick interview so I can get some background before the event. Is this possible? My cell is (b) (6) Thank you.

Hello (b)(6);(b)(7)(C)

This is always achievable when it comes to having congressional personnel out to see what our agents are dealing with. Having 20, will be a little tough just due to consistency with all the representatives and staffers. Our team, as you know because you used to be one out here, is well versed Yuma Sector issues and our messaging will be the same. If we have twenty, the sooner we know the better. The representatives have to realize, if they want border time out in the field then questions in processing will have to be minimized.

The short answer is yes Yuma Sector can facilitate, the sooner the better on the number of people and we will stick to the times on your itinerary.

Thanks again,

Good afternoon,

Received the following from congressional staff:

They are good with Wednesday, April 17th, 2019, 8 p.m.- 9 p.m. MST for the Yuma Station Holding Area and 9 p.m. – 12 a.m. MST night time Border Patrol tour out in the field. For the U.S. Border Patrol I have generated the attached itinerary, could you please take a look and let me know what you think?

Currently, there are eight members of the U.S. Congress confirmed to attend – a few are still deciding which staff to bring, but this is what we have so far:

Andy Biggs (R-AZ-05)

- (b) (6) Legislative Director
- (b) (6) Communications Director

Matt Gaetz (R-FL-01)

- Still deciding staff

Dr. John Joyce (R-PA-13)

- (b) (6) Communications Director

Tom McClintock (R-CA-04)

- (b) (6) Communications Director

Pete Stauber (R-MN-08)

- (b) (6) Legislative Director

Duncan Hunter (R-CA-50)

- (b) (6) Deputy District Director

Jim Baird (R-IN-04)

- Still deciding staff

Dusty Johnson (R-SD-At Large)

- Still deciding staff

If members who are listed as TBD bring more than one staff member then we may be looking at a total of around 20...do you think this large number is going to be a problem?

Most of the attached are close hold information Office of Congressional Affairs has compiled on the members, should you or leadership find helpful.

There is also a letter Rep. Biggs recently sent to the Secretary. To my knowledge, DHS is working on a response but one has not been provided and it is probable a response will not be provided by the time the tour kicks off. The attached letter may provide some information as to what Rep. Biggs may ask on the tour.

Hi (b)(6);(b)(7)(C)

Great to be working with you again.

(b) (7)(E), (b) (5)

- I want to confirm congressional members and official congressional staff would be able to participate in all aspects of the tour? Congressional staff asked me to make sure. I was inclined to tell them yes but wanted to confirm with you prior to communicating. **I don't see any issues with this.....**
- Should I let congressional staff know to meet at Yuma Sector or Yuma Station and should we just inform them to park out front in the public parking spaces? **Yuma Sector**
- Who should congressional staff call, when they arrive at the Sector/Station? **Operations Officer** (b)(6);(b)(7)(C)
- Congressional staff wrote: "Not sure what your rules are for Members being present if apprehensions are taking place." I plan to let congressional staff know: "if during the tour a group is apprehended, the U.S. Border Patrol will determine if it is safe for members and staff to observe. If the U.S. Border Patrol determines it is safe for members and staff to observe then we just ask members and staff not take photos of the Agents and to only assist Agents if the Agents ask for assistance." Anything you want me

to add or take away? Remember that every aspect of apprehensions are applicable to investigation. Any involvement could include them in the process. The Agents will have full control of who is on scene.

Thanks in advance (b)(6);(b)(7)(C) for your help and guidance.

Good afternoon (b)(6);(b)(7)(C) I had to confirm through OPA that we were still allowed to give CPC tours since with the media we are in a temporary stand down. We have actually been instructed to refer to our processing area as the "Yuma Station Holding Area" since it does not technically qualify as a CPC. It should only take up to an hour to tour that. Also, we can facilitate the night tour. Let's plan on 9PM – 12AM.

Good afternoon,

U.S. Representative Andy Biggs (R-AZ-05) is organizing a congressional delegation to Yuma, Arizona for Members of Congress and staff April 16 & 17.

1. Night of April 16 or 17: request for a night ride-along with Border Patrol. Rep. Biggs would like the congressional delegation to gain a better understanding of the level of activity that occurs at night.
2. Morning (earliest 11am) of April 16: Yuma Centralized Processing Center.

For situational awareness, the congressional delegation is also requesting to tour the San Luis Port of Entry, April 17th.

Congressional staff does not have an accurate count of attendees yet, but they stated they had 9 Members and 10 staff on a similar trip in January and are hoping to have a similar level of interest in this trip.

If Yuma Sector is able to support, could you please let us know a point of contact for further coordination by Friday, March 22, 2019?

Subject: CBP Tours in Yuma, Arizona

Hello –

Congressman Biggs is organizing a trip to Yuma, Arizona for Members of Congress and staff April 16-18 and is interested in setting up some tours through CBP and BP. Can you please connect me to the best person to work with? These are the tours he's interested in:

1. April 17: Yuma port of entry. Is it possible to do that in the early morning? He thought it would be interesting for Members to see and understand amount of migrant workers that cross through that POE each day.
2. Night of April 16 or 17: Night ride-along with Border Patrol. He's been out in the field with agents during the day, but would like to gain a better understanding of the level of activity that occurs at night.
3. Morning (earliest 11am) of April 16: Is there an asylum processing center or detention center in Yuma that they could visit?

Since we're still planning, I don't have an accurate count of attendees yet, but we had 9 Members and 10 staff on a similar trip in January. We're hoping to have a similar level of interest in this trip. Happy to answer any additional questions. My direct office line is (b) (6)

Good afternoon,

U.S. Representative Andy Biggs (R-AZ-05) is organizing a congressional delegation to Yuma, Arizona for Members of Congress and staff April 16 & 17.

1. Night of April 16 or 17: request for a night ride-along with Border Patrol. Rep. Biggs would like the congressional delegation to gain a better understanding of the level of activity that occurs at night.
2. Morning (earliest 11am) of April 16: Yuma Centralized Processing Center.

For situational awareness, the congressional delegation is also requesting to tour the San Luis Port of Entry, April 17th.

Congressional staff does not have an accurate count of attendees yet, but they stated they had 9 Members and 10 staff on a similar trip in January and are hoping to have a similar level of interest in this trip.

If Yuma Sector is able to support, could you please let us know a point of contact for further coordination by Friday, March 22, 2019?

Thank you in advance for the help.

Respectfully,

Subject: CBP Tours in Yuma, Arizona

Hello –

Congressman Biggs is organizing a trip to Yuma, Arizona for Members of Congress and staff April 16-18 and is interested in setting up some tours through CBP and BP. Can you please connect me to the best person to work with? These are the tours he's interested in:

1. April 17: Yuma port of entry. Is it possible to do that in the early morning? He thought it would be interesting for Members to see and understand amount of migrant workers that cross through that POE each day.
2. Night of April 16 or 17: Night ride-along with Border Patrol. He's been out in the field with agents during the day, but would like to gain a better understanding of the level of activity that occurs at night.
3. Morning (earliest 11am) of April 16: Is there an asylum processing center or detention center in Yuma that they could visit?

Since we're still planning, I don't have an accurate count of attendees yet, but we had 9 Members and 10 staff on a similar trip in January. We're hoping to have a similar level of interest in this trip. Happy to answer any additional questions. My direct office line is (b) (6)

Yes, the Rep is also requesting a BP component, although I don't know if it has been sent to BP tasking yet. Specifically the Rep is asking for the below:

1. April 17: Yuma port of entry. Is it possible to do that in the early morning? He thought it would be interesting for Members to see and understand amount of migrant workers that cross through that POE each day.
2. Night of April 16 or 17: Night ride-along with Border Patrol. He's been out in the field with agents during the day, but would like to gain a better understanding of the level of activity that occurs at night.

Good morning,

Do you know if this tour is Office of Field Operations specific to visit San Luis, Port of Entry Yuma?

Or will Border Patrol also be part of this tour?
